## Award-Winning Historical Fiction Layered with Spiritual Truths From a Bestselling Novelist

*Beyond This Moment* by Tamera Alexander

Minneapolis, MN—Tamera Alexander holds the triple crown in historical fiction: critical acclaim, prestigious awards, bestselling sales. Not to mention her adoring—and growing—reader base. Known for their life-like characters, vivid settings, and subtle spiritual messages, Tamera’s novels have resonated with readers of all ages.

In *Beyond This Moment*, her latest installment in the TIMBER RIDGE REFLECTIONS series, Tamera introduces Molly Whitcomb, a woman looking for a fresh start while at the same wanting God to rescue her from her present situation.

“Although we ask—and oftentimes beg—to be ‘rescued’ from our current circumstances, God most often leaves us there, to mold us, to shape us, to make us more like Christ,” says Tamera. “This book is about those times when God rescues us by keeping us right where we are.”

*When Dr. Molly Whitcomb, Professor of Romance Languages, steps off the train in Colorado Territory, she makes a choice—one that goes against everything she stands for. Yet it’s the only choice that offers her a chance to regain a fraction of all she’s lost.*

*Sheriff James McPherson’s instincts about people rarely miss the mark. He knows Professor Whitcomb is hiding something. He just doesn’t know what. When James learns Molly’s secret, his own reputation is undermined. But when Molly Whitcomb’s reinvented life begins to unravel, it threatens his job, the stability of Timber Ridge, and what he always knew to be true about himself.*
